Welcome

Welcome to George Bemis #214

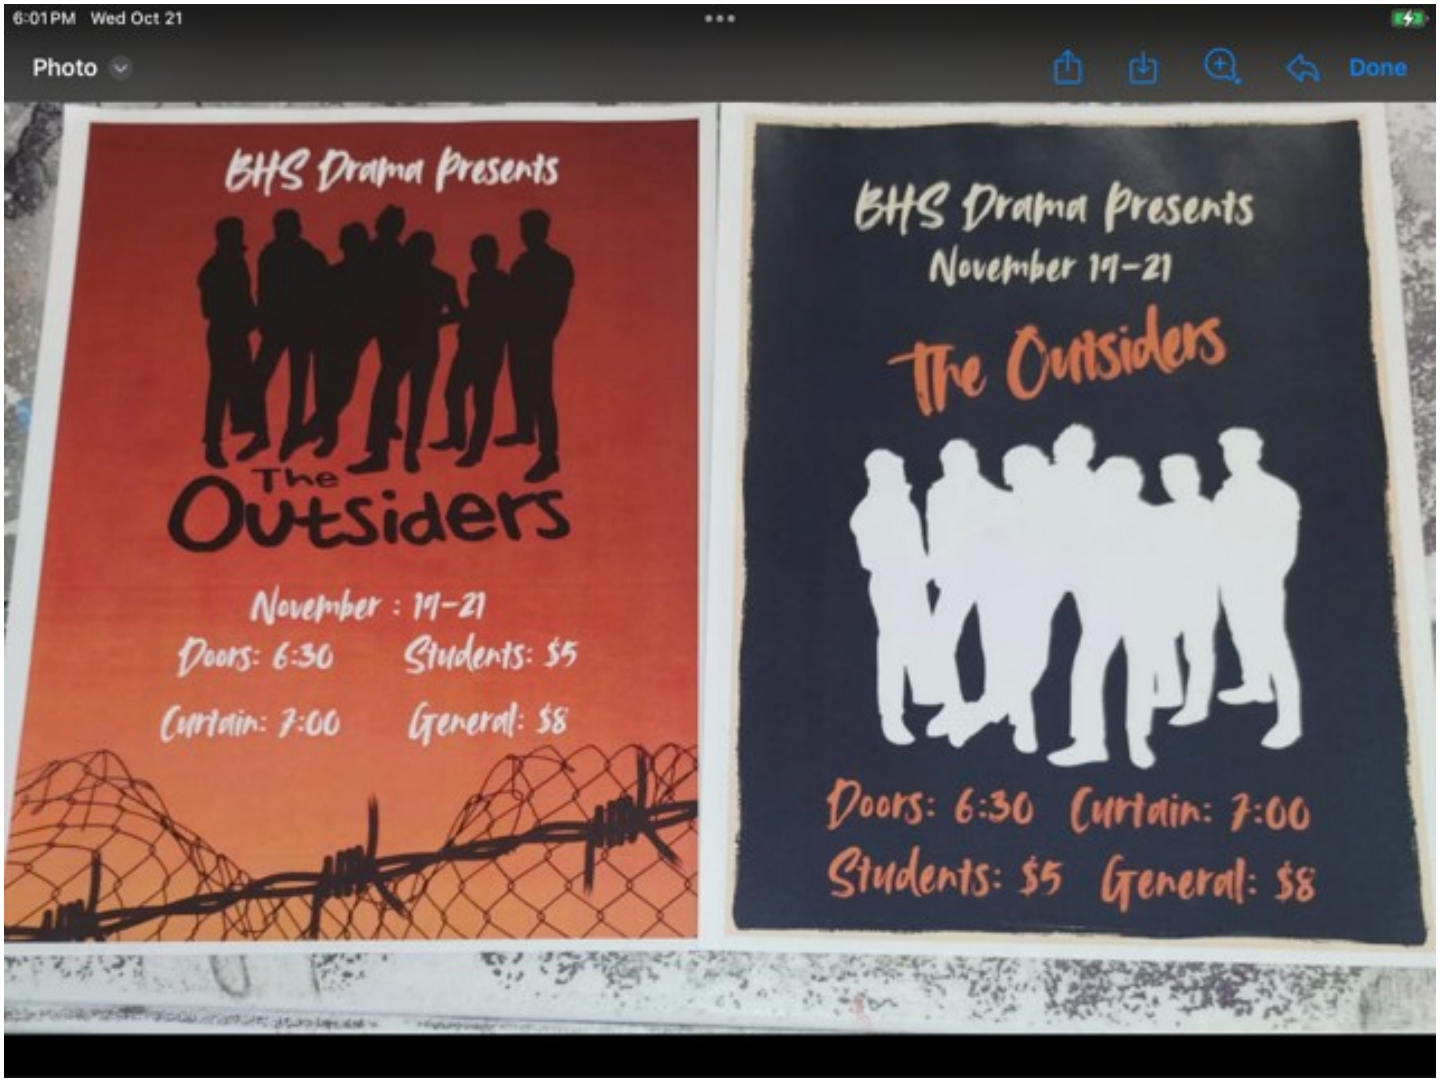

George came to SRB after 23 years living in Bosque Farms, NM. He was born in Texas and has lived in California, Madrid and Alamogordo. He served 14 years as a medic in the military mostly in El Paso, and is currently a hospice nurse with Amber Care. When his job in Alamogordo ended, he found employment and a home here in Belen through a series of happy coincidences. He is the 7th of 9 children but the only one left. George looks forward to meeting his neighbors and getting involved in community activities to the extent that his full-time employment allows. He loves his new home and is enjoying life in SRB.

A&E Report

Re. : SRB Monthly POTLUCK SUPPERS!

We have been having very enjoyable SRB monthly Potluck Suppers on the third Saturday of the month.
There is a wide variety of food to eat and to top it off the A&E Committee has been providing cupcakes to honor the birthdays of the SRB residents during that particular month.
Below is a picture of the 5 residents whose birthdays we celebrated during the month of October.
